Dental Aid Welcomes Dr. Susan Somerset

Latest addition to Dental Aid team strengthens clinic's ability to deliver quality dental care to the area's under and uninsured.

Lafayette, CO, April 20, 2016 – Dental Aid, Inc. is pleased to announce that Dr. Susan Somerset has joined their staff as a dentist. Dental Aid specializes in providing compassionate, affordable, high quality dental care and education to the low-income and uninsured residents of Colorado's Boulder and Broomfield counties.

Dr. Somerset received a doctor of medical dentistry degree from Temple University and where she also completed a general practice residency. In addition, she received her Doctor of Pharmacy degree from University of Pennsylvania. She was employed by Dentistry for Children in Wilmington, Delaware, for three years before moving to Colorado in March 2015. Most recently Dr. Somerset worked for the Colorado Coalition for the Homeless.

"We are pleased to have someone with Dr. Somerset's experience join us," said Dennis Lewis, president and CEO, Dental Aid, Inc. "She has demonstrated the compassion and commitment we look for in our dental team. Her past work with children and the homeless will make her an ideal fit for the patients we serve at Dental Aid."

About Dental Aid

Dental Aid provides compassionate, affordable, high quality dental care and education to low-income and uninsured residents of Colorado's Boulder and Broomfield counties.

The long term clinical focus of Dental Aid follows a chronic disease management model directed at prevention, education and treatment in the early stages of disease. In addition to direct clinical care, Dental Aid prioritizes education and outreach to high-risk patients including:

- Families and children of all ages
- Pregnant women
- People with chronic diseases such as diabetes, heart disease and HIV/AIDS
- People with physical, mental or emotional disabilities

Dental Aid was one of the first stand-alone, nonprofit, complete-care dental clinics in the U.S. The organization as founded in 1974 as a referral organization, and opened its first full-service clinic in 1980. Today, Dental Aid provides dental care to more than 8,000 children and adults annually. It provides services through three clinics (Boulder, Longmont and Louisville, CO) and a satellite clinic at the Boulder Shelter for the Homeless. In addition, portable dental equipment is used to bring dental care to the homebound or those living in long term care facilities. For more information, visit www.dentalaid.org.
